

Oklahoma State University-Oklahoma City

Radiologic Technology Degree (A.A.S)

Curriculum Outline

Fall Semester:

- RAD 1113 Introduction to Radiologic Science and Healthcare
- RAD 1123 Patient care in Radiologic Sciences
- RAD 1233 Radiographic Procedures 1 – plus Lab

Spring Semester:

- RAD 1333 Principles of Imaging
- RAD 1344 Radiologic Clinical Practice I
- RAD 2233 Radiographic Procedures II - plus Lab

Summer Semester:

- RAD 1434 Radiologic Clinical Practice II

Fall Semester:

- RAD 1323 Digital Image Acquisition and Display- plus Lab
- RAD 2223 Radiation Biology and Protection
- RAD 2324 Radiologic Clinical Practice III

Spring Semester:

- RAD 2113 Imaging Physics
- RAD 2333 Advanced Modalities
- RAD 2434 Radiologic Clinical Practice IV

Total Hours Required to Graduate: *43 Hours at a 'C' level or better*
